Advisory

Jennifer White
Loudon Co. ECD
jwhite@loudoncounty911.org

To: All Tennessee TERT Agencies

From: Brad Gass, State Coordinator

RE: Member Information Update

Date: July 11, 2022

It is time to update our roster once again!

If you are an agency who currently participates in the Tennessee Telecommunicator Emergency Response Taskforce (TN TERT), please send your updated member information to tert.tennessee@gmail.com. Please include each member's name, phone number, email, and their completed training. Please include this information with an agency letterhead with your Directors Signature that those who are named are allowed to participate in the program.

If you or your agency are interested in becoming a member of the TN TERT program, please reach out to us for more information.

If you have any additional questions, please feel free to reach out to your regional coordinator or myself.

Thank you,

Brad

**Brad Gass
State Coordinator
Tennessee TERT**

The TN-TERT is a joint APCO/NENA program that provides trained personnel to emergency communication centers and their personnel in the event of a man-made or natural disaster. For more information on the National TERT program, visit www.njti-tert.org
